A screenshot of the Amazon sign-in page. The page has a 'Sign In' heading. Below it, there's a question 'What is your e-mail address?' followed by a text input field. Below that, there's a question 'Do you have an Amazon.com password?' with two radio button options: 'No, I am a new customer.' and 'Yes, I have a password:'. The 'Yes, I have a password:' option is selected. Below the radio buttons, there's a text input field for the password and a link 'Forgot your password?'. At the bottom, there's a 'Sign in using our secure server' button with a right-pointing arrow.

Step 2: Log into your Amazon account (either Amazon.com or Amazon.co.uk) using your email address and your password
